Dear Friend in Preservation,

As a friend in preservation, you know the commitment of Preservation Action and the Preservation Action Foundation to historic preservation advocacy, especially in providing a voice to the grassroots. As many of us prepare to meet in San Francisco for the National Preservation Conference in November. We invite you to support Gold Rush: Preservation Action Foundation's After Party and Benefit Auction on November 14, 2018 during the National Preservation Conference with a donation.

The National Preservation Conference attracts thousands of preservationists, developers, public officials, heritage tourists and more from across the country. A donation to our annual auction provides great exposure of your organization or historic site to an active and interested group of people.

You and your organization are invited to donate items, experiences, stays and more to our Silent and Live Auctions. Your generous gift could represent hundreds of dollars in essential funds for the Preservation Action Foundation.

This is Preservation Action Foundation's largest fundraiser. The proceeds from this event will be used to assist in education and training, advocacy for preservation policy, and programs such as our Advocacy Scholars program, which recognizes the next generation of preservation advocates. The Preservation Action Foundation is a 501(c)(3) entity; your prize donation is tax deductible to the fullest extent allowed by law. We are happy to display marketing materials that you provide, and you will be recognized as a generous donor on our printed and web materials.

Thank you in advance for your support. To learn more about the Preservation Action Foundation Auction go to www.preservationaction.org/auction. If you have any questions, please call Preservation Action at 202-463-0970 or email at rnaylor@preservationaction.org.

Sincerely,

Shanon Shea Miller
