AMERICA'S GRASSROOTS LOBBY FOR HISTORIC PRESERVATION

Dear Potential Organizational Member,

Building on the momentum of a tremendously successful Virtual Historic Preservation Advocacy Week in March on behalf of Preservation Action (PA), we invite you to join or renew as an Organizational Member. We know there is tremendous competition for your talents and dollars, and we hope you choose Preservation Action especially in these challenging times. Our goal is to ask all state and local preservation organizations to join or renew by the end of July 2021, Historic Preservation Month. Now more than ever it is vital that we stand together to protect, defend, and promote the importance of historic preservation policy and funding as part of the solution.

As an Organizational member of Preservation Action (PA), you help shape the best national preservation policy. We strive to empower you to engage with your elected officials in Washington, D.C., provide you valuable information, and in turn you help us understand how federal policies support the best local preservation efforts. You will receive PA's weekly email Legislative Updates that covers the happenings on Capitol Hill impacting preservation. You will participate in PA's monthly Advocacy Leaders conference calls bringing together a nationwide network of preservation leaders - ready to take action on relevant issues. Through our events, annual meetings, and calls-to-action you will have many opportunities to become acquainted with fellow organizations from across the country tackling the same issues as you. As preservation's only nationwide 501(c)4 organization, your engagement is critical to the success of PA's advocacy mission.

Enclosed you will find information on our impact, upcoming events, membership levels, biographies on the executive committee/staff, and a current list of board members. Please contact us at any time with feedback, questions, or concerns. We hope you join us as an active participant in shaping the future of historic preservation.

Sincerely,

Russ Carnahan
President

Briana Grosicki
Chairwoman
